How do we progress our umpires?

BASIS National Umpire Education Programme – 3 levels

Level 1 Objectives: give the MA's an insight in the BEC umpire pathway and required standards in order to:

- have better quality umpires
- work more effectively together
- close the gap towards the BWF level of umpiring

→ **3 Level 1 workshops in 2018/2019 (39 participants/30 MA's), next in 2022**

Level 2 Objectives:

- Regional network building for national assessors and upcoming umpires
- Continue working on better quality umpires and transparency
- Involve all assessment panel members and decentralise responsibilities

→ **See next slide**

Level 3 Objectives:

- Local workshops in countries by BEC assessment panel member
- Analyse level and potential of umpires within the MA
- How to optimize their structures (more developed MA's) or how to put a TO structure in place (less developed MA's)

→ **As from 2022**
